Dog Bites

**BECAUSE YOU
DON'T ALWAYS
GET A WARNING.**

AN INJURY CAUSED BY A DOG CAN BE A VERY PAINFUL EXPERIENCE, LEAVING YOU WITH PHYSICAL AND EMOTIONAL DAMAGE.

IF YOU OR YOUR LOVED ONE HAS BEEN INJURED BY A DOG, YOU NEED A LAWYER WHO IS EXPERIENCED IN HANDLING THESE TYPES OF CASES WITH DOG BITE CASES.

Dog bite cases are different from typical personal injury cases. For instance, if it can be proven the same dog has injured anyone else or even damaged property before the injury, the injured party can recover double their damages in Wisconsin. Attorneys who handle dog bite cases need the experience to know how to find out about prior damage to people or property. Dog bite cases often involve scarring, for which having an attorney experienced in evaluating scar cases is essential.

Hupy and Abraham, S.C. has that experience and can help people who have been injured by dogs. It is also possible to successfully bring an action for injury caused by a dog even when there was no actual bite or the dog did not specifically contact the person injured. We can help anyone who has been injured because of a dog's actions.
