We Have Collected **MORE THAN \$1 BILLION** for Thousands of Clients

VOLUME 21 | MAY 2017

CASE RESULTS

Rider Makes Full Recovery, Gets \$350,000

Our client was riding his motorcycle when a careless motorist went through a stop sign, causing him to slam into the driver's side of the car. He suffered severe injuries but made a full recovery after diligent rehabilitation.

When it came time to settle, the initial offer was \$200,000. After serious negotiations with the insurance company, Attorney Jason Abraham obtained \$350,000.

How a Case Goes from \$0 to \$280,000

Our clients were traveling on a highway when several vehicles suddenly cut in front of them. They managed to avoid them, but the trailing vehicle was following too closely and rear-ended them.

The insurance company denied the claim, placing the blame on the vehicles that cut in front of our clients instead of their insured. They refused to make an offer until binding arbitration, where the case settled for \$280,000.
