**CASE RESULTS**

**\$245,000 for Injured Driver with Multiple Fractures**

Our 68-year-old client was in the hospital for seven days following an accident with a driver who ran a flashing red traffic signal. His injuries included multiple rib fractures and a fractured pelvis. Over the next several months, he incurred over \$82,000 in medical bills.

After negotiating with the insurance company, Attorney Jason Abraham recovered \$245,000 on behalf of our injured client.

**Apartment Stairs Collapse Victim Receives Her Just Due**

Our client was leaving her apartment when the stairs suddenly collapsed below her. She suffered a spine fracture and a leg laceration. The insurance company refused to release any money for medical payments.

Once our client finally recovered from her injuries, Hupy and Abraham, S.C. was able to obtain a settlement for \$82,500, plus \$5,000 for the client's medical payments.

**CHEERS TO 50 YEARS - Here's to our Golden Anniversary!**

Given that we celebrated our 50th (golden) anniversary in April, it is an appropriate time to reflect on all this company has achieved since it began in 1969. Firm President Attorney Michael Hupy joined this firm in 1989 and became the primary shareholder in 1997, while Vice President Attorney Jason Abraham joined in 1993 and became a shareholder in 1999. For the last five decades, this firm's lawyers have participated in historical cases that have helped over 70,000 injured clients obtain over \$1 billion in settlements and verdicts. We are honored our lawyers and legal staff can say that we have received more than 250 awards and accolades due to their hard work and dedication to their profession.

Attorney Michael Hupy has been a guest expert on local television programs numerous times to spread awareness about various issues, including pedestrian safety. He has been a member of "MilWALkee Walks," a pedestrian-based coalition that was formed in 2016. Attorney Hupy has also given monetary awards and donations to deter gun violence in local communities. Attorney Hupy is a past president of the Wisconsin Association of Criminal Defense Lawyers, a current member of the National Trial Lawyers, the Association of Trial Lawyers of America and the Multi-Million Dollar Advocates Forum, and a former member of the Wisconsin Academy of Trial Lawyers Board of Directors. An award recipient many times over, he was recently given a prestigious Lifetime Achievement Award.

As a personal injury litigator, Vice President Attorney Abraham has tried and settled cases amounting to over \$200 million in awards for his clients nationwide, including the landmark Milwaukee police brutality case that resulted in a \$3 million settlement for his client who was left a quadriplegic. In his spare time, he lectures students on the dangers of texting and driving and acts as an advisor to aspiring lawyers. In 2016, the Wisconsin Law Journal recognized Attorney Abraham as a "Leader in the Law" for outstanding legal expertise, integrity and leadership.

Several Hupy and Abraham, S.C. attorneys have received recognition by other legal entities, including the Super Lawyers and Rising Stars' lists and the Multi-Million Dollar Advocates Forum, while maintaining a 10.0 rating on AVO.com. At our humble beginnings in the early 90s, this firm operated with less than 10 people in a cramped office in downtown Milwaukee. Now, Hupy and Abraham, S.C. has nearly 200 employees spanning 11 offices in three states. Although we have already accomplished many company milestones, more goals are in our future as we continue to serve the public and our clients with a superior level of service.
