We Have Collected **MORE THAN \$1 BILLION** for Thousands of Clients

VOLUME 34 | 2021-2022

CASE RESULTS

\$480,000 Settlement for Client Injured by Falling Pipe

Our client was stacking pipes when one came loose and bounced off the pile and into our client.
Our client suffered a fracture to the femur, a concussion and had neck and back pain.
Attorney Todd Korb was able to settle this case for \$480,000.

\$100,000 Settlement for Client Who Stopped for a Turtle in the Road

Our client was driving to work on a rainy morning when she noticed an object in the middle of her lane. It was too tall for her to drive over, so she stopped. It became apparent it was a large turtle. Shortly after, she was rear-ended by the defendant.
The insurance company denied the claim. A lawsuit was filed given the insurance company's meritless denial. At mediation, the case settled for \$100,000.

Hospital Caregiver Set to Collect Over \$290,000

Our client injured her back while lifting a patient to place an X-ray tablet under him in the operating room.
She received \$290,000 for indemnity, which is over 500 weeks, plus medical seed of \$82,962.31 and annual funding for 18 years.
